

# Premier Audition Application Requirements for Organ Performance/Classical

All applicants to Performers National Signing Day are required to record an audition video which includes the content outlined below.

- Each performance segment must be recorded in one take with no editing (though you may and should select the best of several takes).
- All videos must be recorded within the six months prior to the application deadline.
- Professional equipment and/or studio space is not necessary for a successful application to Performers National Signing Day. With attention to a few details, your music making can be conveyed using readily available consumer electronics; even iPhone or other smartphone recordings are acceptable.
- Please refer to [Audition Tech Tips](#) for additional information and suggestions for effectively recording your audition.

## Required Video Segments for Organ Performance/Classical

### Video 1

**Introduction:** Before you record your first musical selection, please include a spoken introduction in which you state your name, instrument, hometown, and state.

**Required Musical Selections:** You are asked to record only one video. Auditionees must perform two contrasting selections. The minimum performance length is 20 minutes. It is suggested that the two selections come from the following stylistic expressions:

- *A Prelude and Fugue* for organ by J.S. Bach
- A complete work by any Baroque composer other than Bach
- A complete Romantic work from the 19th century
- A complete work from the 20th or 21st century
- One piece of the auditionee's choice

Optional: Memorization is not required but highly suggested on at least one of the selections.

- Announce the title of the piece and composer and/or arranger before you begin each required selection.
- If you wish to demonstrate proficiency on a doubling instrument, you must include one or two additional examples.

## **Video 2**

**Video Essay:** Please record a 2 to 3-minute answer to **one** of the following questions:

- What is a non-musical interest or activity about which you are passionate and why?
- What organ performer (of any genre/of any time) most inspires you and why (or how)?
- What do you anticipate your professional life to look like in 5 years, 10 years, and 20 years?
- What musical experiences have influenced your life and will continue to shape you as a person?
