

Application Requirements for Guitar Performance/Classical

Standard Audition Videos

All applicants to Performers National Signing Day are required to record a standard audition video that includes the content outlined below.

- Each performance segment must be recorded in one take with no editing (though you may and should select the best of several takes).
- All videos must be recorded within the six months prior to the application deadline.
- Professional equipment and/or studio space is not necessary for a successful application to Performers National Signing Day. With attention to a few details, your music making can be conveyed using readily available consumer electronics; even iPhone or other smartphone recordings are acceptable.
- Please refer to [Audition Tech Tips](#) for additional information and suggestions for effectively recording your audition.
